

CONFIDENTIALITY AND JOINT DEFENCE AGREEMENT

THIS AGREEMENT is made on 2 March 2021

BETWEEN:

- (1) **GAMESYS GROUP PLC**, a company incorporated in England and Wales (registered no. 10303804), whose registered office is at 10 Piccadilly, London, England, W1J 0DD ("**Gamesys**");
- (2) **BALLY'S CORPORATION**, a corporation formed under the laws of Delaware, whose principal executive offices are at 100 Westminister Street, Providence, RI 02903 ("**Bally's**" or the "**Bidder**");
- (3) **CLIFFORD CHANCE LLP**, a limited liability partnership formed under the laws of England and Wales (registered no. OC323571), whose registered office is 10 Upper Bank Street, London E14 5JJ ("**Gamesys Counsel**"); and
- (4) **JONES DAY**, whose office is at 21 Tudor Street, London EC4Y 0DJ ("**Bidder Counsel**").

Gamesys and the Bidder are together referred to as the "**Clients**" and each as a "**Client**". Gamesys Counsel and Bidder Counsel are each referred to as "**Counsel**". Gamesys, the Bidder and Counsel are individually referred to as a "**Party**" and together as the "**Parties**".

INTRODUCTION

- (A) Gamesys and the Bidder are in preliminary discussions regarding a possible transaction involving the acquisition of Gamesys by the Bidder (however implemented and including any financing thereof) (the "**Possible Transaction**");
- (B) the Clients and their Counsel believe that the Possible Transaction may require them to analyse and evaluate whether there are any antitrust and regulatory issues associated with the Possible Transaction, consider the need for and, in relevant jurisdictions, apply for clearances or approvals to certain relevant antitrust and/or regulatory authorities, including (but not limited to) preparing submissions and responding to questions from such authorities and defending the Possible Transaction in any regulatory review before such authorities or in any judicial proceeding, if applicable and appropriate (the "**Designated Matters**");
- (C) the Clients and their Counsel believe and anticipate, on the basis of currently available information, that the nature of the Designated Matters and the relationship among the Clients will present various common legal and factual issues and a mutuality of interest in pursuing the Possible Transaction and any joint defence in connection with the Designated Matters and any related litigation;
- (D) the Clients wish to continue to pursue their separate but common interests, and to avoid any suggestion of waiver of the confidentiality or immunity of communications and documents protected by the attorney-client privilege, the attorney work product doctrine or any other privilege, right or immunity vis-à-vis potentially adverse parties;

- (E) it is the intention and understanding of the Clients and Counsel that past and future communications relating to the Designated Matters among and between the Clients and Counsel and Retained Experts (as defined below), joint interviews of prospective witnesses or any interviews obtained by Counsel on behalf of their Client (in each case relating to the Designated Matters) hereto with the knowledge and consent of the other Client, are and shall remain confidential and are and shall continue to be protected from disclosure to any third party by any and all applicable privileges, rights and immunities, except as set forth herein;
- (F) in order to pursue a joint defence effectively, the Clients and their Counsel have also each concluded that, from time to time, their interests will be best served by sharing confidential documents, factual material, mental impressions, advice, memoranda, interview reports, litigation or regulatory strategies, regulatory filings and other information, whether proceeding from or shared by the Clients or any of their respective subsidiaries, whether in written or oral form, including the confidences of each Client (collectively, "**Defence Materials**");
- (G) certain Defence Materials that contain commercially and competitively sensitive information relating to a Client which that Client considers should be provided on an "Outside Counsel/Retained Experts Only" basis ("**Restricted Information**") may be disclosed to certain external lawyers or consultants advising the other Client in order to consider the need for and, where necessary, obtain the consent of an antitrust authority or other regulatory body;
- (H) Gamesys and the Bidder have entered into a confidentiality agreement dated 2 January 2021 governing the disclosure of confidential information between them in connection with the Possible Transaction (the "**Confidentiality Agreement**"). The terms of the Confidentiality Agreement shall apply to the Defence Materials and Restricted Information subject to the amendments and modifications set out in this Agreement; and
- (I) it is the purpose of this Agreement to ensure that any exchange and/or disclosure of the Defence Materials contemplated herein does not diminish in any way the confidentiality of the Defence Materials and does not constitute a waiver of any privilege, right or immunity otherwise available.

In consideration of each Client making certain information available to the other's Counsel, **THE PARTIES HEREBY AGREE** as follows:

1. Except as expressly stated in writing to the contrary, any and all Defence Materials obtained by either Counsel from each other and/or each other's Client are being provided solely for internal use of the Clients, their respective Counsel and Retained Experts engaged in relation to the Designated Matters and competent antitrust and/or regulatory authorities as required for obtaining any relevant clearances or approvals in relation to the Designated Matters and shall remain confidential and shall be protected from disclosure to any other third party by the joint-defence privilege, the relevant Client's attorney-client and solicitor-client privilege, the attorney work product doctrine, common interest privilege, legal professional privilege, legal advice privilege, litigation privilege and any and all other applicable privileges and immunities. All Defence Materials shall be used solely in connection with the Designated Matters and shall not be used for any other business or commercial purpose.

2. If a Client intends that any of its Defence Materials shall constitute Restricted Information, such Client shall only provide such Defence Materials, and shall procure that such Defence Materials are only provided, to an external regulatory clean team acting for the other Client, being:
 - (a) antitrust or regulatory partners, associates, employees or other staff (including support staff) of the law firms of the other Client's counsel who are working directly on the joint defence effort or any ensuing litigation, in either case with respect to the Designated Matters ("**Outside Counsel**"); and
 - (b) local external antitrust or regulatory counsel, economic consultants and other external advisers and external experts (including, in each case, their support staff) working at the direction of the law firms on the Designated Matters who shall undertake in writing to abide by this Agreement ("**Retained Experts**" and, together with Outside Counsel, the "**External Regulatory Clean Team**").
3. A Client shall clearly identify, and mark to the extent possible, as "Outside Counsel/Retained Experts Only" all Defence Materials that it intends to provide as Restricted Information and shall procure that all such Defence Materials are so provided. A Client shall mark and shall procure that electronic documents are marked as "Outside Counsel/Retained Experts Only" by stating in the cover email that the attached Defence Materials are being provided on an "Outside Counsel/Retained Experts Only" basis. Nothing contained in this Agreement shall limit the right of the Clients to disclose any of their own documents or information, or any documents or information obtained independently and not pursuant to this Agreement or the Confidentiality Agreement, to anyone as they see fit.
4. If Restricted Information concerning a Client is disclosed to any member of the other Client's External Regulatory Clean Team, the receiving Client will procure that such Restricted Information is kept confidential and disclosed only to:
 - (a) other members of its External Regulatory Clean Team; and
 - (b) subject to the prior written consent of the disclosing Client or its Outside Counsel, competent antitrust and/or other regulatory authorities, as required for the purposes of obtaining merger control clearances in relation to the Designated Matters,and shall not be disclosed to any other person, entity, or agent, including officers or employees of the receiving Client (including inside counsel of the receiving Client and the corporate (or other) deal teams at the firm(s) of the Retained Experts), unless previously authorised in writing by the disclosing Client (in which case the information ceases to be Restricted Information). Each Client will procure that a list of key individuals who may receive Restricted Information shall be maintained by its Outside Counsel and each firm of its Retained Experts and there shall be a nominated individual at each firm of Retained Experts primarily responsible for ensuring compliance with this Agreement (the "**Responsible Person**").
5. Notwithstanding clause 4, the members of the External Regulatory Clean Team shall be permitted to communicate advice, opinions, reports or analyses to their Client based on the Restricted Information of the disclosing Client, so long as any such

communications do not contain or enable the recipient to deduce or calculate the Restricted Information itself and are appropriately redacted, aggregated, or otherwise cleaned by regulatory counsel so as not to include or enable the recipient to deduce or calculate Restricted Information.

6. For the avoidance of doubt, the Clients may, at any time, communicate in writing (including by email) to each other that certain Restricted Information need no longer be held only by the External Regulatory Clean Team. At this point, the relevant information is no longer Restricted Information and may be shared with individuals outside the receiving Client's External Regulatory Clean Team including:

- (a) other outside counsel (including members of the deal team);
- (b) members of a receiving Client's internal legal team; or
- (c) certain other identified employees of that Client,

in each case, on such terms as may be agreed between the Clients and provided that:

- (a) such individuals may be limited to only those that have been approved in advance by the disclosing Client; and
- (b) the terms of the Confidentiality Agreement or any other agreement in place between the Clients regarding the disclosure of confidential information between them in connection with the Possible Transaction are observed.

7. In the course of the joint defence efforts related to the Designated Matters, if any member of the External Regulatory Clean Team determines that certain Defence Materials designated as Restricted Information must be shared or discussed with employees of their Client or jointly among employees of both Clients in order to reasonably effectuate the joint defence of the Possible Transaction (including but not limited to with respect to preparing regulatory filings, submissions, analyses, or other advocacy), the Clients and Counsel shall consult together in good faith to determine if the Restricted Information designation of such Defence Materials should be removed in accordance with clause 6.

8. Nothing in this Agreement shall prohibit any Party from receiving or using information that is otherwise publicly available, or that has been obtained through independent means not covered by the terms of this Agreement. Restricted Information received pursuant to this Agreement that subsequently becomes publicly available shall no longer be designated under this Agreement as Restricted Information.

9. Each Client consents and agrees (and forthwith upon appointment of any Retained Expert in the future will consent and agree) that Restricted Information of the other Client exchanged pursuant to this Agreement shall not be communicated to them, notwithstanding, among other provisions, the applicable rules of legal professional conduct or any similar provisions under other national, pan-national, state or local laws. Neither Client shall request that Restricted Information of the other Client be communicated to them.

10. Each Client shall take all reasonable steps, and shall procure that all reasonable steps are taken, to protect the confidentiality and/or applicable privilege of Defence Materials

received from the other Client or Counsel and shall advise all persons permitted access to the information or Defence Materials of the contents of this Agreement and that the Defence Materials are privileged and subject to the terms of this Agreement.

11. Neither Client nor Counsel shall assert any claim of title or ownership over any Defence Materials (or any portion thereof) received from the other Client or its Counsel. Notwithstanding the foregoing, Defence Materials that are jointly developed by the Clients or their Counsel shall be jointly owned by the Clients. If any Defence Materials consist of computer software disclosed in object code form, no Client or Counsel shall reverse engineer, reverse compile, or disassemble such object code, take any other steps to derive a source code equivalent thereof, or allow any other person to do so.
12. If any person or entity requests or demands, by subpoena or otherwise, any Defence Materials from any Client or Counsel, that Client or Counsel will immediately notify the Counsel whose Client has, or who themselves may have, rights in said materials and will take all steps reasonably necessary to permit the assertion of all applicable rights, privileges and immunities with respect to such Defence Materials, including permitting the other affected parties a reasonable opportunity to intervene and be heard, and otherwise cooperate fully with the other affected parties in any judicial proceedings relating to the disclosure of Defence Materials at issue.
13. Nothing in this Agreement shall create an attorney-client relationship between Gamesys Counsel and the Bidder, between Bidder Counsel and Gamesys, or between either Counsel and anyone other than its Client, and the fact that each Counsel has entered this Agreement shall not in any way preclude the relevant Counsel from representing any interest that may be construed to be adverse to any other Party or be used as a basis for seeking to disqualify either Counsel from representing any other party in this or any other proceeding, whether under a grant of immunity or otherwise, because of such Counsel's participation in this Agreement. The Parties acknowledge that each Counsel has specifically advised its Client of this clause.
14. Nothing in this Agreement shall oblige any Client or Counsel to share or communicate any information or Defence Materials or independently obtained or created materials with any other Client or Counsel.
15. Any Client or Counsel disclosing Defence Materials pursuant to this Agreement represents that it has the right to make such disclosure under this Agreement, but otherwise makes no representations or warranties, express or implied, as to the quality, accuracy, and completeness of any Defence Materials disclosed pursuant to this Agreement, and such Client or Counsel, its affiliates and representatives shall have no liability whatsoever with respect to the use of or reliance upon the disclosed Defence Materials.
16. In the event that:
 - (a) a Party chooses to withdraw from this Agreement; or
 - (b) the Possible Transaction has terminated, or discussions or negotiations with respect to the Possible Transaction have terminated,

the appropriate Counsel or Client shall promptly give notice of that fact to all other Parties, and this Agreement shall terminate, except that:

- (a) each Client shall, and shall procure that, all Defence Materials that it or its Counsel or Retained Experts received from the other Client are promptly returned or destroyed, as the other Client may elect (and such destruction is confirmed in writing), except to the extent otherwise required by law or by any applicable regulatory requirements or so as to comply with a *bona fide* records retention policy; and
 - (b) each Client shall continue to be bound by the obligations of confidentiality provided in this Agreement with respect to Defence Materials previously furnished pursuant to this Agreement until the earlier of: (a) 30 June 2022; and (b) completion of a definitive transaction in respect of the Proposed Transaction.
17. The Bidder, Bidder Counsel and any Retained Experts of the Bidder shall provide to the UK Panel on Takeovers and Mergers (the "**Panel**") a written confirmation substantially in the forms set out in Appendix 1, Parts A, B and C, or in such other form as the Panel may require (the "**Confirmations**"). The Bidder shall take all necessary steps to ensure that it and its External Regulatory Clean Team comply with the Confirmations, and the arrangements set out in Appendix 2 in respect of the Restricted Information.
18. Gamesys shall, and shall procure that Gamesys Counsel and any Gamesys Retained Experts shall, maintain a record of any Defence Materials shared and the names of such persons to whom such information was disclosed.
19. The Bidder shall procure that Bidder Counsel and the Bidder's Retained Experts shall maintain a record of any Restricted Information received.
20. Each Client shall, and shall procure that their Counsel and any Retained Experts shall (in each case, to the extent applicable):
- (a) keep Defence Materials and any copies thereof secure and in such a way as to prevent unauthorised access by any third party; and
 - (b) to the extent that Defence Materials are provided in electronic format, to the extent possible, not store such Defence Materials on any computer, word processor or other device, unless access to the file, device, or relevant storage folder is protected by password or otherwise restricted to those individuals who are actively engaged on the Designated Matters and bound by this Agreement.
21. Each Client shall, and shall procure that their Counsel and Retained Experts shall (in each case, to the extent applicable):
- (a) limit access to Defence Materials to specific individuals who are directly involved in the Designated Matters; and
 - (b) inform the other Client immediately if it becomes aware that any Defence Materials have been disclosed to any person otherwise than in accordance with this Agreement.

22. Each Client will instruct its respective Counsel and Retained Experts to adhere to the obligations in Clauses 18 to 21 and, in the case of the Bidder, set out in the relevant Confirmation.
23. This Agreement, its terms, and the activities conducted pursuant to this Agreement, constitute Defence Materials. Each Client shall not disclose this Agreement and its terms, and shall procure that this Agreement and its terms are not disclosed, to anyone except as permitted under the terms of this Agreement or as required by applicable law or regulation; provided that a copy of this Agreement may be provided to the Panel upon request and may be posted to any website required to be maintained by the UK City Code on Takeovers and Mergers in connection with the Possible Transaction.
24. In the event that documents or other written information or data are inadvertently or unintentionally provided ("**Inadvertently Provided Documents**") to the other Client or its Counsel or Retained Experts in the course of the Possible Transaction, the Client which provided the Inadvertently Provided Documents may demand in writing the return or destruction of any Inadvertently Provided Documents. Upon receipt of such a written demand, the Client in possession (including by way of its Counsel or any Retained Expert) of such Inadvertently Provided Documents shall promptly deliver to the other Client or destroy all copies of the Inadvertently Provided Documents, except to the extent otherwise required by law or by any applicable regulatory requirements or so as to comply with a *bona fide* records retention policy, and shall undertake reasonable measures to ensure that the Inadvertently Provided Documents and the information or data contained therein are not further disseminated.
25. This Agreement shall be binding upon each Client's respective successors, legal representatives and permitted assigns. This Agreement is solely for the benefit of the Clients.
26. This Agreement constitutes the entire and complete joint defence agreement between the Parties and supersedes any earlier joint defence agreements between or among any of the Parties regarding the Possible Transaction, whether written or oral, pursuant to which Defence Materials may have been exchanged. For the avoidance of doubt, the Confidentiality Agreement is excluded from this provision and remains in force. In the event of a conflict between this Agreement and the Confidentiality Agreement, this Agreement shall prevail.
27. Whenever possible, each provision of this Agreement will be interpreted in such a manner as to be effective and valid under applicable law. If any provision of this Agreement is held to be prohibited by or invalid under applicable law, such provision will be ineffective only to the extent of such prohibition or invalidity, without prohibiting or invalidating the remainder of such provision or the remaining provisions of this Agreement.
28. Each Client and Counsel shall, and each Client shall procure that any Retained Experts or other External Regulatory Clean Team member engaged by it shall, promptly notify the other Client upon becoming aware of any breach of this Agreement or, in the case of the Bidder and Bidder Counsel, any of the Confirmations.
29. Each Client acknowledges and agrees that a breach of this Agreement by it, its Counsel or a member of the External Regulatory Clean Team or Retained Expert engaged by it,

may cause continuing and irreparable injury to the business of the other Client as a direct result of such violation, for which remedies at law may be inadequate. Either Client may therefore be entitled, in the event of any actual or threatened violation of this Agreement by the other Client or anyone engaged by such Client, and in addition to any other remedies available to it, to seek specific performance and injunctive or other equitable relief as a remedy for such actual or threatened violation of this Agreement, and no proof of special damages may be necessary to enforce the terms of this Agreement.

30. No failure or delay by any Party to exercise any right, power, or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any right, power, or privilege hereunder.
31. This Agreement may be executed in one or more counterparts, all of which taken together shall constitute one and the same instrument.
32. This Agreement may not be amended or modified except by a written agreement signed by each Party, provided that either Client may unilaterally appoint additional law firms to represent such Client with respect to the Possible Transaction or the Designated Matters ("**Additional Counsel**"), provided that Defence Materials and Restricted Information may only be disclosed to an Additional Counsel once:
 - (a) that Additional Counsel has agreed to be bound by the terms of this Agreement as if it were original Counsel by executing a letter in the form contained in Appendix 3 to this Agreement and delivering it to the Parties; and
 - (b) the Panel has confirmed that (i) that Additional Counsel may be added to the External Regulatory Clean Team and (ii) the Panel has received the relevant Confirmations from that Additional Counsel.
33. This Agreement shall be governed exclusively by the laws of England and Wales and the Parties submit to the exclusive jurisdiction of the English courts.
